

BRYAN AREA HEALTH EDUCATION CENTER (BAHEC) SCHOLARS

Attention all Health Care Profession Students:

- Are you interested in gaining skills needed to work with patients in rural areas and underserved populations?
- Would you like to practice inter-professional collaboration and gain cultural competency?
- Do you want to gain confidence in leadership and learn how to improve patient outcomes?

Consider applying to be an AHEC Scholar!

- Applicants must be entering final 2 years of degree program
- Scholars is a 2 year commitment
- Students must complete 40 hours of classroom-based didactic learning and 40 hours of team-based community experiences per year

Benefits of participation in AHEC Scholars:

- \$500 annual stipend
- Participation in professional conferences and continuing education opportunities
- Clinical and community experiences
- Recognition at graduation ceremony
- Assistance in obtaining first job after graduation
